REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS ON THE AUDIT OF THE FINANCIAL STATEMENTS

To the Board of Directors National Family Planning and Reproductive Health Association, Inc.

Opinion

We have audited the statements of financial position of the National Family Planning and Reproductive Health Association, Inc. (the Association), as of June 30, 2024 and 2023, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Association and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

1. BACKGROUND OF THE ORGANIZATION

The National Family Planning and Reproductive Health Association, Inc. (the Association) is a non-profit membership organization founded in 1971 and incorporated on July 18, 1973. The general purpose of the Association is to coordinate and improve the distribution of family planning services and materials.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and judgments that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash and highly liquid investment funds, which have a maturity of 90 days or less. Cash equivalents as of June 30, 2024 and 2023, consisted of money market funds.

Grants and Accounts Receivable

The Association receives grants from various entities and records amounts due as a receivable when earned. Estimated losses are based on historical collection experience and the review of the current status of existing receivables. Management believes all grants receivable are collectible as of June 30, 2024 and 2023, and a reserve for estimated losses has not been recorded.

Fair Value Measurements

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Notes to the Financial Statements June 30, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Fair Value Measurements (continued)

The three levels of the fair value hierarchy under generally accepted accounting principles are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Association has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Furniture and Equipment

Furniture and equipment purchases in excess of \$1,000 with an estimated useful life of more than one year are capitalized at cost if purchased, or estimated fair market value as of the date of gift, if donated. Depreciation is recorded using the straight-line method over the estimated useful lives of the assets.

Right of Use Asset and Lease Liability

The Association records a right of use asset related to the office facility where the Association conducts its operations. The right of use asset is being amortized over the term of the lease. As of June 30, 2024 and 2023, the net carrying value of the right of use assets was \$773,954 and \$969,338, respectively.

The lease liability represents the future commitments for the Association's office facility. The term of a lease is assessed as the non-cancellable period of the lease, plus any extension options that the Association is reasonably certain to exercise. The lease liabilities are discounted using the Association's estimated borrowing rate.

Notes to the Financial Statements June 30, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Net Assets

Net assets without donor restrictions are assets and contributions that are not restricted by donors or for which restrictions have expired. The board designated net asset amounts as of June 30, 2024 and 2023, were designated by the Board for future spending as they deem appropriate. The management designated net assets as of June 30, 2024 and 2023, represent a membership fund and a gift received from an estate during fiscal year 2019, which management will invest in long-term investment for future needs.

Net assets with donor restrictions are those whose use by the Association has been restricted by donors primarily for a specific time period or purpose. When a donor restriction is met, net assets with donor restrictions are reclassified to net assets without donor restrictions. If a donor restriction is met in the same reporting period in which the contribution is received, the contributions (to the extent that the restrictions have been met) are reported as net assets without donor restrictions.

Support and Revenue

Contributions received are recorded as with or without donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions.

Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when some stipulated time restriction ends or purpose of the restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the accompanying statements of activities and changes in net assets as revenue released from restrictions.

Contributions and gifts of investments are liquidated upon receipt.

Revenue Recognition

Membership dues are recognized as revenue in the membership period to which the dues relate. Accordingly, dues paid by members in advance of the membership period are deemed conditional and are reported as deferred revenue in the accompanying statements of financial position.

Revenue and the related costs of the conference are recognized in the year in which the conference or seminars are held. Accordingly, sponsorships paid by sponsors in advance of the conference year are deemed conditional and are reported as deferred revenue in the accompanying statements of financial position. There were no sponsorships paid in advance for the years ended June 30, 2024 and 2023.

Notes to the Financial Statements June 30, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition (continued)

Unrestricted contributions and grants are reported as revenue in the year in which the payments are received and/or unconditional promises are made. Conditional grants are recognized when the condition has been met.

Contributed Nonfinancial Services

Contributed services are recognized when they require specialized skills and would be paid for if they were not provided. In-kind contributions for the years ended June 30, 2024 and 2023, were \$0 and \$204,735, respectively, and were related to donated legal services. Management of the Association obtained the value of the in-kind services based on the hours donated and the market rate for the value of the time based on information provided by the donor of the services.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and changes in net assets and functional expenses. Accordingly, certain costs have been allocated among the program and supporting services that benefit from those costs. Management and general expenses include those expenses that are not directly identified with any other specific function but provide for the overall support and direction of the Association.

The Association reports certain expense categories that are attributable to more than one program service or support function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Costs not directly attributable to a function, including depreciation, and office rent are allocated to a function based on time worked.

Income Tax

The Association is exempt from the payment of income taxes on income other than net unrelated business income under Section 501(c)(3) of the Internal Revenue Code. The provisions included in accounting principles generally accepted in the United States of America provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition of tax positions taken or expected to be taken in a tax return. The Association performed an evaluation of uncertain tax positions as of June 30, 2024 and 2023, and determined that there were no matters that would require recognition in the financial statements or that may have any effect on its tax-exempt status. As of June 30, 2024, the statute of limitations for fiscal years 2021 through 2024, remain open with the U.S. Federal jurisdiction or the state and local jurisdiction in which the Association files tax returns. It is the Association's policy to recognize interest and/or penalties related to uncertain tax positions, if any, as income tax expense.

Notes to the Financial Statements June 30, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Liquidity and Availability of Resources

The following reflects the Association's financial assets as of June 30, reduced by amounts not available for general use within one year because of donor-imposed restrictions.

	 2024		2023
Cash and cash equivalents	\$ 5,382,451	\$	3,871,747
Investments	688,065		1,129,010
Grants and accounts receivable	 26,923	_	1,358,337
	 6,097,439		6,359,094
Less: net assets with donor restrictions	 1,306,339		1,347,190
Financial assets available to meet cash needs for	 		
general expenses within one year	\$ 4,791,100	\$	5,011,904

The Association receives contributions, which may be restricted by donors. The Association considers contributions restricted when they are to be used in a specific manner or future period, as outlined in the grant agreement. The Association manages its liquidity following two guiding principles: operating within a prudent range of financial soundness and stability, and maintaining adequate liquid assets to fund near-term operating needs. As part of the Association's liquidity management plan, cash in excess of the 180-day requirements are invested in short-term investments and money market funds. The Board designated funds can be drawn down by management upon approval from the Board of directors, if necessary, to meet unexpected liquidity needs. The management designated funds are set aside for long-term investments and future use when needed and a membership fund.

Subsequent Events

The Association evaluated the accompanying financial statements for subsequent events and transactions through November 19, 2024, the date these financial statements were available for issue and have determined that no material subsequent events have occurred that would affect the information presented in the accompanying financial statements or require additional disclosure.

3. INVESTMENTS

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of June 30, 2024 and 2023.

Notes to the Financial Statements June 30, 2024 and 2023

3. INVESTMENTS (continued)

Exchange-traded funds and mutual funds: Valued at the investments' values of shares held by the Association at year end, based on the active markets on which they trade.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Association believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level, the fair value hierarchy of the Association's investments at fair value as of June 30, 2024 and 2023:

Total	\$	1,306,339	\$	1,702,014

6. LEASE OBLIGATION

In September 2016, the Association entered into a lease for its office facility. As part of this agreement, the Association received a rent abatement for the first 10 months of this lease. Thus, the rent was straight lined. The deferred rent balance was \$137,896 and \$160,951 as of June 30, 2024 and 2023, respectively. Rent expense was \$231,640 and \$229,008, for the years ended June 30, 2024 and 2023, respectively. The balance is net in the right of use asset on the statements of financial position.

Notes to the Financial Statements June 30, 2024 and 2023

6. LEASE OBLIGATION (continued)

As of June 30, 2024, the future minimum payments for the office space and equipment are as follows:

Years Ending June 30,		Amount

2028		180,426		
Total		959,807		
Less amounts representing interest		47,957		
Total	\$	911,850		

7. RETIREMENT PLANS

The Association maintains a 403(b)-tax deferred annuity plan for all eligible employees. In order to participate in the plan an employee must have six months of service and have attained age 20½. Each plan year (July 1, through June 30), the Association makes a discretionary contribution to each eligible participant's account in the amount of 6% of the plan participant's compensation. The Association's contribution to the plan for the years ended June 30, 2024 and 2023, was \$140,310 and \$141,924, respectively.

The Association also maintains a non-qualified Section 457 Supplemental Employee Pension Plan (the Plan). Under the Plan, the Association defers compensation to the President/CEO. During the years ended June 30, 2024 and 2023, the Association contributed \$22,708 and \$21,125, respectively. The liability related to the deferred compensation and the investment balance funding that liability of \$290,283 and \$220,490, has been recorded in the accompanying statements of financial position as of June 30, 2024 and 2023, respectively.
