GET TESTED!

You can enjoy your sex life and stay healthy by getting tested for sexually transmitted infections (STIs) today. To get tested at a Sexual Health Clinic, call 311 or visit nyc.gov/health/clinics.

NYC Department of Health & Mental Hygiene

GET CLOSER *with* BARRIERS

WHICH SAFER SEX TOOL IS RIGHT FOR YOU?

CONDOM
EXTERNAL CONDOM
OR MALE CONDOM
About \$6.50/3 pack

USES
♂ + ♀ (-) (-)
♂ + ♀ (-)

INTERNAL CONDOM
REALITY® CONDOM
OR FEMALE CONDOM
About \$7/3 pack
Remove plastic ring before using for anal sex.

USES
♂ + ♀ (-) (-)
♂ + ♀ (-)

DENTAL DAM
About \$1.50/piece
If unavailable, make one using non-microwavable plastic wrap.

USES
♂ + ♀ (-)

GLOVE
LATEX OR NITRILE
About \$0.10/glove

USES
♂ + ♀ (-)

REMEMBER
Use a fresh barrier every time you switch between holes or partners.

Don't let STIs, HIV, or Hepatitis come between you and your partners. Purchase these barriers online or in a pharmacy, or ask for them at your nearest health center.

OUCH!

COULD IT BE CHLAMYDIA?

Chlamydia can be painful, but often it has no signs or symptoms.

What's the fuss about? Chlamydia is the most common sexually transmitted infection in young people. If left untreated, chlamydia may cause infertility problems for men and women. Luckily, getting tested is so easy. Order your discreet, free testing kit to test at home, visit: www.yoursexualhealthmatters.org.uk or call freephone number 0800 328 3383
