

## TITLE X'S ROLE

# Alaska

National  
**Family Planning**  
& Reproductive Health Association

Across the country, the diverse network of health centers supported by Title X (ten) provides a range of essential family planning and sexual health services to patients who might otherwise go without care. This mission has been threatened by the devastating 2019 Title X final rule, which puts patients' access to high-quality care at risk.

## CURRENT GRANTEES

\$580,000 • Alaska Department of Health and Social Services
