REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the Board of Directors National Family Planning and Reproductive Health Association, Inc.

Report on the Financial Statements

We have audited the accompanying statements of financial position of the National Family Planning and Reproductive Health Association, Inc. (the Association) as of June 30, 2019 and 2018, and the related statements of activities and changes in net assets, functional expense, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Association as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to the Financial Statements June 30, 2019 and 2018

1. ORGANIZATION

The National Family Planning and Reproductive Health Association, Inc. (the Association) is a non-profit membership organization founded in 1971 and incorporated on July 18, 1973. The general purpose of the Association is to coordinate and improve the distribution of family planning services and materials.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and judgments that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash and highly liquid investment funds, which have a maturity of 90 days or less. Cash equivalents as of June 30, 2019 and 2018, consisted of money market funds.

Grants Receivable

The Association receives grants from various entities and records amounts due as a receivable when earned. Estimated losses are based on historical collection experience and the review of the current status of existing receivables. Management believes all grants receivable are collectible as of June 30, 2019 and 2018, and a reserve for estimated losses has not been recorded.

Notes to the Financial Statements June 30, 2019 and 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Fair Value Measurements

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under generally accepted accounting principles are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Association has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Furniture and Equipment

Property and equipment purchases in excess of \$1,000 with an estimated useful life of more than one year are capitalized at cost and depreciated over the estimated useful lives of the assets using the straight-line method.

Notes to the Financial Statements June 30, 2019 and 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Net Assets

Net assets without donor restrictions are assets and contributions that are not restricted by donors or for which restrictions have expired. The board designated net asset amounts as of June 30, 2019 and 2018, was designated by the Board for future spending as they deem appropriate. The management designated net assets as of June 30, 2019, represents a gift received from an estate during the current year which management will invest in long-term vehicles for future needs.

Net assets with donor restrictions are those whose use by the Association has been restricted by donors primarily for a specific time period or purpose. When a donor restriction is met, net assets with donor restrictions are reclassified to net assets without donor restrictions. If a donor restriction is met in the same reporting period in which the contribution is received, the contributions (to the extent that the restrictions have been met) are reported as net assets without donor restrictions.

Restricted and Unrestricted Support and Revenue

Contributions received are recorded as with or without donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions.

Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when some stipulated time restriction ends or purpose of the restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the accompanying statements of activities and changes in net assets as revenue released from restrictions.

Contributions and gifts in investments are liquidated upon receipt.

Revenue Recognition

Membership dues are recognized as revenue in the membership period to which the dues relate. Accordingly, dues paid by members in advance of the membership period are reported as deferred revenue in the accompanying statements of financial position.

Revenue and the related costs of the conference and continuing education are recognized in the year in which the conference or seminars are held. Accordingly, sponsorships paid by sponsors in advance of the conference year are reported as deferred revenue in the accompanying statements of financial position.

Notes to the Financial Statements June 30, 2019 and 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition (continued)

Unrestricted contributions and grants are reported as revenue in the year in which the payments are received and/or unconditional promises are made. Conditional grants are recognized when the condition has been met.

The Association is supported primarily through membership income, corporate grants, and contribution and grant revenue, which represented 57% and 72% of revenue for the years ended June 30, 2019 and 2018, respectively.

In-Kind Contributions

Contributed services are recognized when they require specialized skills and would be paid for if they were not provided. In-kind contributions for the years ended June 30, 2019 and 2018, were \$3,710,500 and \$1,581,000, respectively, and was related to donated legal services. Management of the Association obtained the value of the in-kind services based on the hours donated and the market rate for the value of the time based on information provided by the donor of the services.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and changes in net assets. Accordingly, certain costs have been allocated among the program and supporting services that benefit from those costs. Management and general expenses include those expenses that are not directly identified with any other specific function but provide for the overall support and direction of the Association.

The Association reports certain expense categories that are attributable to more than one program service or support function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Costs not directly attributable to a function, including depreciation, and office rent, are allocated to a function based on time worked. Additionally, other cost allocations that are not allocated on time worked are otherwise allocated based on an agreed-upon rate outlined in contractual agreements.

Income Tax

The Association is exempt from the payment of income taxes on income other than net unrelated business income under Section 501(c)(3) of the Internal Revenue Code.

Notes to the Financial Statements June 30, 2019 and 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Tax (continued)

The provisions included in accounting principles generally accepted in the United States of America provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition of tax positions taken or expected to be taken in a tax return. The Association performed an evaluation of uncertain tax positions as of June 30, 2019 and 2018, and determined that there were no matters that would require recognition in the financial statements or that may have any effect on its tax-exempt status. As of June 30, 2019, the statute of limitations for fiscal years 2016 through 2019, remain open with the U.S. Federal jurisdiction or the state and local jurisdiction in which the Association files tax returns. It is the Association's policy to recognize interest and/or penalties related to uncertain tax positions, if any, as income tax expense.

Liquidity and Availability of Resources

The following reflects the Association's financial assets as of June 30, 2019, reduced by amounts not available for general use because of donor-imposed restriction.

| Cash and cash equivalents | \$ 3,174,258 |
|---|-----------------|
| Investments | 1,585,831 |
| Grants receivable | 470,498 |
| | 5,230,587 |
| Less: net assets with donor restrictions | 2,762,258 |
| Financial assets available to meet cash needs for | |
| general expenses within one year | \$ 2,468,329 |

As of June 30, 2019, the Association has working capital of \$2,4687,329, an average of 180 days of cash on hand.

The Association receives contributions, which may be restricted by donors. The Association considers contributions restricted when they are to be used in a specific manner or future period, as outlined in the grant agreement. The Association manages its liquidity following two guiding principles: operating within a prudent range of financial soundness and stability and maintaining adequate liquid assets to fund near-term operating needs.

As part of the Association's liquidity management plan, cash in excess of the 180-day requirements are invested in short-term investments and money market funds.

Notes to the Financial Statements June 30, 2019 and 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Liquidity and Availability of Resources (continued)

The Board designated funds can be drawn down by management upon approval from the Board of directors, if necessary, to meet unexpected liquidity needs. The management designated funds are set aside for long-term investments and future use when needed.

Implemented Accounting Pronouncements

In August 2016, the FASB issued Accounting Standards Update 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities* (ASU 2016-14). These amendments change presentation and disclosure requirements for not-for-profit entities to provide more relevant information about their resources (and the changes in those resources) to donors, grantors, creditors, and other users. These include qualitative and quantitative requirements in the following areas: Net Asset Classes, Investment Returns, Expenses, Liquidity and Availability of Resources, and Presentation of Operating Cash Flows. The amendments in this ASU are effective for fiscal years after December 15, 2017. The Association implemented ASU 2016-14 for the year ended June 30, 2019. Due to the adoption of this ASU, the presentation of these financial statements and footnotes were updated accordingly.

Recent Accounting Pronouncements

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-02, *Leases*, that creates a singular reporting model for leases. This standard will require the Association to record changes to its statement of financial position to reflect balances for current leases that are not shown in the statement of financial position. In July 2018, the FASB issued ASU No. 2018-10, *Codification Improvements to Topic 842, Leases* and *Leases (Topic 842): Targeted Improvements*, which provide further clarity and transition options for adoption of FASB ASU N. 2016-02. In July 2019, the FASB has postponed the implementation of these pronouncements.

In September 2017, the FASB issued ASU No. 2017-13, Revenue Recognition (Topic 605), Revenue from Contracts with Customers (Topic 606), Leases (Topic 840), and Leases (Topic 842), that provides clarification on certain topics related to these topics. These standards are effective when the related previous amended standards become effective.

In June 2018, the FASB issued ASU No. 2018-08, Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made, that improves the scope and accounting guidance around contributions of cash and other assets received and made by not-for-profit organizations and business enterprise. This standard is effective for periods beginning after December 15, 2019.

Notes to the Financial Statements June 30, 2019 and 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Recent Accounting Pronouncements (continued)

Management is evaluating the effects of these pronouncements on the financial statements and will implement these pronouncements by their effective dates. Management does not believe the adoption of these pronouncements will have a material effect on the financial statements.

Subsequent Events

The Association evaluated the accompanying financial statements for subsequent events and transactions through September 9, 2019, the date these financial statements were available for issue and have determined that no material subsequent events have occurred that would affect the information presented in the accompanying financial statements or require additional disclosure.

3. INVESTMENTS

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of June 30, 2019 and 2018.

Exchange-traded funds and mutual funds: Valued at the investments' values of shares held by the Association at year end, based on the active markets on which they trade.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Association believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to the Financial Statements June 30, 2019 and 2018

3. INVESTMENTS (continued)

The following table sets forth, by level, the fair value hierarchy of the Association's investments at fair value as of June 30, 2019 and 2018, were as follows:

Depreciation expense was \$67,134 and \$69,409, for the years ended June 30, 2019 and 2018, respectively.

5. RESTRICTIONS ON NET ASSETS

Net Assets with Donor Restrictions

Net assets with donor restrictions as of June 30, 2019 and 2018, consisted of the following:

| 2019 | | 2018 |
|-----------------|------------------------------|--|
| \$ 2,382,988 | \$ | 2,597,711 |
| 179,571 | | 123,239 |

The Association released \$2,711,450, from restrictions during the year ended June 30, 2019, of which \$2,592,375 and \$119,075, was related to the restriction of time and purpose, respectively. The Association released \$3,086,802, from restrictions during the year ended June 30, 2018, of which \$2,616,896 and \$469,906, was related to the restriction of time and purpose, respectively.

Notes to the Financial Statements June 30, 2019 and 2018

6. COMMITMENTS AND CONTINGENCIES

In September of 2016, the Association entered into a lease that expires on January 1, 2028. The minimum future lease payments as of June 30, 2019, were as follows:

| Years Ending June 30, | Amount | | |
|-----------------------|--------|-----------|--|
| 2020 | \$ | 224,441 | |
| 2021 | | 230,052 | |
| 2022 | | 235,788 | |
| 2023 | | 241,679 | |
| 2024 | | 247,724 | |
| Thereafter | | 938,865 | |
| Total | \$ | 2,118,549 | |

As part of this agreement the Association received a rent abatement for the first 10 months of this lease. The effects of this abatement will be recognized as rent expense over the life of the lease and is recorded as deferred rent in the accompanying statements of financial position.

The Association also had a lease for office space that expired on January 31, 2019, which was subleased. The Association did not renew the lease.

The rent expense for the years ended June 30, 2019 and 2018, was \$350,629 and \$436,841, respectively, for these two leases.

The rent revenue for the years ended June 30, 2019 and 2018, were \$85,584 and \$140,168, respectively, and is included in the miscellaneous revenue on the statements of activities and changes in net assets.

7. RETIREMENT PLANS

The Association maintains a 403(b)-tax deferred annuity plan for all eligible employees. In order to participate in the plan an employee must have six months of service and attain age 20 ½. Each plan year (July 1, through June 30), the Association makes a discretionary contribution to each eligible participant's account in the amount of 6% of the plan participant's compensation. The Association's contribution to the plan for the years ended June 30, 2019 and 2018, was \$122,494 and \$120,585, respectively.

The Association also maintains a non-qualified Section 457 Supplemental Employee Pension Plan (the Plan). Under the Plan, the Association defers compensation to the President/CEO. During the years ended June 30, 2019 and 2018, the Association contributed \$16,353 and \$15,360, respectively. The liability related to the deferred compensation and the investment balance funding that liability of \$89,041 and \$65,049, has been recorded in the accompanying statements of financial position as of June 30, 2019 and 2018, respectively.
