

# TITLE X'S ROLE

# Guam

National  
**Family Planning**  
& Reproductive Health Association

The Title X ("ten") family planning program is critical to providing and maintaining access to family planning services for people with low and no incomes and people who are un- or under-insured. This mission has been threatened by years of insufficient funding and politically motivated attacks, leaving millions without access to federally supported services.

## 2023 GRANTEES

POVERTY LEVEL

N/A indicates that the state does not have a separate family planning-only program for individuals with incomes above the Medicaid full benefit cut-off.

<sup>1</sup> The grantees list includes any grantee that was awarded funds in that year. Additional organizations may have had funds for a grant that ended partway through the year.

<sup>2</sup> This count includes any service site that participated for any portion of the year.

<sup>3</sup> In some states, there are no clinics that offer care to the legal limit. In addition, abortions may be available after the legal limit in certain situations. For specifics, please visit [www.abortionfinder.org](http://www.abortionfinder.org).
