BY LAW, EVERY INSURANCE PLAN ON THE MARKETPLACE WILL COVER SERVICES CALLED ESSENTIAL HEALTH BENEFITS. THESE INCLUDE:

- ▶ **Outpatient services**, like services or tests done at a medical center or doctor's office that do not require you to stay overnight.
- ▶ **Emergency services**, like medical care given to treat a sudden or unexpected illness in an emergency.
- ▶ **Hospitalization**, like services, tests or surgery that require you to stay the night in the hospital.
- ▶ **Maternity and newborn care**, like services during pregnancy and after your baby is delivered, including breastfeeding.
- ▶ **Mental health and substance use disorder services**, like services that improve your mental well-being or treat a mental illness or substance use problem.
- ▶ **Prescription drugs**, like medicines that require a prescription from your doctor.
- ▶ **Habilitative and Rehabilitative services**, like physical therapy, which helps you recover skills that you lost because you were hurt or disabled, or helps you develop and maintain the skills you need.
- ▶ **Laboratory services**, like tests you take to diagnose an illness or problem.
- ▶ **Preventative and wellness services and chronic disease management** like check-ups and screenings to help you stay healthy, and services to improve your quality of life by preventing or lowering the effect of a disease. This includes monitoring and educating you about your treatment.
- ▶ **Pediatric care**, including dental and vision care for children.

Dental coverage for adults will also be available through the Health Insurance Marketplace at an additional cost.
