BY LAW, EVERY INSURANCE PLAN ON THE MARKETPLACE WILL COVER SERVICES CALLED ESSENTIAL HEALTH BENEFITS. THESE INCLUDE:

- Outpatient services, like services or tests done at a medical center or doctor’s office that do not require you to stay overnight.
- Emergency services, like medical care given to treat a sudden or unexpected illness in an emergency.
- Hospitalization, like services, tests or surgery that require you to stay the night in the hospital.
- Maternity and newborn care, like services during pregnancy and after your baby is delivered, including breastfeeding.
- Mental health and substance use disorder services, like services that improve your mental well-being or treat a mental illness or substance use problem.
- Prescription drugs, like medicines that require a prescription from your doctor.
- Habilitative and Rehabilitative services, like physical therapy, which helps you recover skills that you lost because you were hurt or disabled, or helps you develop and maintain the skills you need.
- Laboratory services, like tests you take to diagnose an illness or problem.
- Preventative and wellness services and chronic disease management like check-ups and screenings to help you stay healthy, and services to improve your quality of life by preventing or lowering the effect of a disease. This includes monitoring and educating you about your treatment.
- Pediatric care, including dental and vision care for children.

Dental coverage for adults will also be available through the Health Insurance Marketplace at an additional cost.
