

TITLE X'S ROLE Missouri

National
Family Planning
& Reproductive Health Association

The Title X ("ten") family planning program is critical to providing and maintaining access to family planning services for people with low and no incomes and people who are un- or under-insured. This mission has been threatened by years of insufficient funding and politically motivated attacks, leaving millions without access to federally supported services.

¹ If a state has no federally funded family planning expansion, the percentage given is for childless adults to access full benefit Medicaid.

² The grantees list includes any grantee that was awarded funds in that year. Additional organizations may have had funds for a grant that ended partway through the year.

³ This count includes any service site that participated for any portion of the year.
