

TITLE X'S ROLE

District of Columbia

National
Family Planning
& Reproductive Health Association

The Title X ("ten") family planning program is critical to providing and maintaining access to family planning services for people with low and no incomes and people who are un- or under-insured. This mission has been threatened by years of insufficient funding and politically motivated attacks, leaving millions without access to federally supported services.

MEDICAID ELIGIBILITY CUT-OFFS, 2023

FULL-BENEFIT MEDICAID FOR CHILDLESS ADULTS

FAMILY PLANNING-ONLY ELIGIBILITY

In 2023, the FPL was \$14,580 for an individual.

N/A indicates that the state does not have a separate family planning-only program for individuals with incomes above the Medicaid full benefit cut-off.

¹ The grantees list includes any grantee that was awarded funds in that year. Additional organizations may have had funds for a grant that ended partway through the year.

² This count includes any service site that participated for any portion of the year.

³ 26+ indicates that the state has no gestational limit on abortion care. However, providers may have their own limits, and care may not be available throughout pregnancy in a certain state.
