

TITLE X'S ROLE North Carolina

National
Family Planning
& Reproductive Health Association

The Title X ("ten") family planning program is critical to providing and maintaining access to family planning services for people with low and no incomes and people who are un- or under-insured. This mission has been threatened by years of insufficient funding and politically motivated attacks, leaving millions without access to federally supported services.

In 2023, the FPL was \$14,580 for an individual.

¹ The grantees list includes any grantee that was awarded funds in that year. Additional organizations may have had funds for a grant that ended partway through the year.

² This count includes any service site that participated for any portion of the year.

³ In some states, there are no clinics that offer care to the legal limit. In addition, abortions may be available after the legal limit in certain situations. For specifics, please visit www.abortionfinder.org.
